Welcome to a new era of Republican leadership!

"The state of our union has never been stronger..."

[Read the 2002 State of the Union speech...](#)

The 2000 presidential election was the closest contest in United States history.

After the ballots were cast in November, the outcome hung in the balance until the Electoral College voted on Dec. 18 and George W, Bush became the country's 43rd president.

[Read Bush's acceptance speech...](#)

Bush promised to unite the country when he was sworn in as the President on Saturday, January 20.

Republicans also retained control of the House of Representatives and the evenly split United States Senate. However, in May 2001, Vermont's Republican U.S. Senator James Jeffords became an independent, giving Democrats control by a margin of 50-49-1.

2000GOP.com was one of the original new political media sites on the Internet... and welcomed more than 1 million visitors during the election
